Section 1. Sec. 2-541(i)(1), Monroe County Code, is hereby amended to read:

(i) (1) Each bid for construction projects estimated to exceed \$150,000 must be accompanied by a bid security in an amount equal to five (5) percent of the bid price either in the form of a certified check made payable to the county or in a bond from a surety company authorized to do business in Florida. If the successful bidder executes the contract and commences performance, then the bid security will be returned. The bid securities of unsuccessful bidders and bid securities in the county's possession for more than ninety (90) days from the date of bid opening must also be returned.
